SEGMENT C EXTENDS FROM JUPITER STREET TO MOORGATE ROAD AND WILL:

- Construct roundabouts at Jupiter Street, Grandview Street and Bishops Gate Road
- Build new wider sidewalks on the west side of North Coast Highway 101
- Construct new pavement for the southbound lanes
- Provide additional lighting
- Install landscaping and irrigation

PROJECT DESCRIPTION

The Leucadia Streetscape Project includes a number of improvements aimed at preserving and revitalizing 2.5 miles of North Coast Highway 101. Project construction comes after over 15 years of work by City staff and the Leucadia community to create a plan that makes it easier and safer for community members to get to the beach and enjoy the shops and restaurants on North Coast Highway 101, whether in a car, on a bike or on foot.

The City is anticipated to begin construction of the **Segment C West Side** Improvements in **late 2022**

LEUCADIA STREETSCAPE GOALS

Enhance safety and mobility in the rail corridor

Increase access to the coastline

Add parking, landscaping and calming measures

Preserve and revitalize North Coast Highway 101

PROJECT STATUS

The Segment C West Side Improvements project was approved by the City Council in **May 2021**.

Planning and approvals are anticipated to be completed in **summer 2022**, and construction is scheduled to begin in **late 2022**.

PROJECT BUDGET

The Streetscape Project budget for Segment C is \$20 million. The City is proposing to fund it through grants, loans, and America Recovery Act monies.

This project will bring the Segment C portions of the Highway 101 corridor in alignment with the vision of Streetscape in a quick and cost-effective way.

PUBLIC OUTREACH

There are a number of ways the community can stay informed about the project throughout construction:

Phone: 760.512.3800

Website: www.encinitasca.gov/streetscape

Email: streetscape@encinitasca.gov

Signup: To sign up for project alerts, email the project team at the address above.
